IMPORTANT

The Parish Council does not hold insurance to cover loss of, or damage to, the marquee whilst hired to a third party. The borrower must be financially responsible for damage or loss, over and above the sum of the deposit. The marquee, including the extension, was purchased for the sum of £637.00 in 2008 & 2010. Nor is there any third party liability insurance in the event of an accident occurring to anyone using the tent. This must be covered by your own household liability insurance.

I have noted the above and read the Conditions overleaf and agree to abide by their terms.
